**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a community college professor. High speed, reliable, Internet connectivity at a low price is important to me. These three characteristics are best delivered through healthy competition. Every home in America should have several options for Internet access.

Please take action to keep the market open to both large and small competitors!

Thank you.
